Dear Chris:

As a lawyer, I am programmed to distrust everyone and had serious doubts about sending you a check for the entire purchase price before even seeing the vehicle. However, you earned my trust when you offered to accommodate my busy schedule by having the car delivered to St. Louis for a test drive and inspection. I knew then you had confidence in the quality of the vehicle. The car is everything you said it was and more. Thank you for being such a professional and making the entire process so simple. We will definitely do business again and I will refer you to anyone looking for a high quality, low mileage sports car.

Sincerely,

A handwritten signature in black ink, appearing to be 'JR', with a large loop at the top and a long, sweeping underline.
