2011 Porsche 911 Turbo S

Pasadena, CA

Chris,

Just a note of thanks for the excellent customer service I received during my recent vehicle purchase from Premier Sports Cars. Once I decided that a 2011 911 Turbo S was the right car, I conducted an extensive internet search, looking for the right car for me. Like so many, I was looking for an attractively priced, super clean, pampered vehicle with low mileage and listed by a reputable dealer. I found all of this and more at Premier Sports Cars. Additionally, I had a very narrow window for delivery and you guys met my deadline without an issue. Well done indeed! I would not hesitate to return to Premier for future exotic car purchases and can recommend you guys to any serious buyer looking for a desirable deal on a rare vehicle.

Best,

Tim
